

PRAYER GUIDE FOR EACH DAY

Sunday: Pray that the worship of this day may bring glory to God, remembering all who minister the Word, lead worship, play the music and those who welcome people as they come to worship. Pray for the pastors, deacons and/or elders/leaders.

Monday: As the churches' weekday activities begin pray for all who lead, serve, and befriend those who come through our doors. Pray for any new initiatives being taken on by our churches at this time.

Tuesday: Pray for the involvement of our churches in Mission, whether it is at the local, regional, national or international level. Pray for Home Mission and BMS World Mission representatives in our churches as they encourage interest, prayer and giving.

Wednesday: The prayer life of every church is important, as it is of every Christian individual. Pray for churches as they meet for prayer, maybe at varying times of the day. Give thanks for the prayer ministry of the housebound, as they perform this vital service in the life of our churches.

Thursday:

Pray for children and young people who attend various meetings in our churches; for youth leaders in whatever capacity they work; and for input from our churches into schools and colleges in our neighbourhoods.

Friday: Remember those who are called to the Lord's work away from their homes, be it in service in this country or overseas. Pray that their spiritual needs may be met in often difficult or hostile situations. Especially remember Chaplains and Christian personnel in our armed forces.

Saturday: Pray for Church Officers and those involved in preparing the church premises for worship. Many are busy with these tasks on a Saturday. Think of those who clean the premises, arrange flowers, prepare notice sheets and organize coffee rotas, etc.

March 7th - 13th

Milton, Weston-super-Mare **John Smith, Emma Smith**

Please pray for:-

- Plans for a church wide evangelism course based on mid week meetings as well as Sunday services to equip the church for evangelism
- Plans to run the ' Just 10' course by J John in the autumn for the wider community
- Small groups meeting to look at different ways of doing church and to identify the needs of the under 45 age group.

Please give praise that:-

- Our weekly Youth café has now resumed with up to 90 young people attending and now meets at a well equipped education unit a few hundred yards from the church which means it is more self contained and less disruptive to neighbours around the church
- Our pastoral worker Shaggy Abdon Shortley has now recovered from a major operation and is back at work following a long period off sick.

Pastoral Vacancy

Culkerton, Gloucestershire

Please pray with us a faithful few as we seek God's guidance as to what we, as over eighty year olds, can do to share his love with those in our small village. We always contact newcomers to welcome them to the village and invite them to join us but as yet to no avail. We praise God for his many blessings and pray that in his wisdom he will lead us in the way he wants us to continue fulfilling his mission in Culkerton.
