

## PRAYER GUIDE FOR EACH DAY

**February 28<sup>th</sup> – March 6<sup>th</sup>**

**Sunday:** Pray that the worship of this day may bring glory to God, remembering all who minister the Word, lead worship, play the music and those who welcome people as they come to worship. Pray for the pastors, deacons and/or elders/leaders.

**Monday:** As the churches' weekday activities begin pray for all who lead, serve, and befriend those who come through our doors. Pray for any new initiatives being taken on by our churches at this time.

**Tuesday:** Pray for the involvement of our churches in Mission, whether it is at the local, regional, national or international level. Pray for Home Mission and BMS World Mission representatives in our churches as they encourage interest, prayer and giving.

**Wednesday:** The prayer life of every church is important, as it is of every Christian individual. Pray for churches as they meet for prayer, maybe at varying times of the day. Give thanks for the prayer ministry of the housebound, as they perform this vital service in the life of our churches.

### **Thursday:**

Pray for children and young people who attend various meetings in our churches; for youth leaders in whatever capacity they work; and for input from our churches into schools and colleges in our neighbourhoods.

**Friday:** Remember those who are called to the Lord's work away from their homes, be it in service in this country or overseas. Pray that their spiritual needs may be met in often difficult or hostile situations. Especially remember Chaplains and Christian personnel in our armed forces.

**Saturday:** Pray for Church Officers and those involved in preparing the church premises for worship. Many are busy with these tasks on a Saturday. Think of those who clean the premises, arrange flowers, prepare notice sheets and organize coffee rotas, etc.

### **Grange, Gloucester**

### **Pastoral Vacancy**

Grange has been without a minister now for 12 months. It has been a good 12 months. We have done a lot of necessary work on our Manse and that work is now in its final phase. We have just started the process of looking for a new minister and whilst this is a challenge we are sure of God's leading and know that He will show us the right person in His time.

We want to thank God for his faithfulness to us over the last 12 months, for equipping us and guiding us. We continue to uphold the search for a new minister in prayer.

We praise God for the growth in numbers attending our mid-week Children's club and pray for more leaders for this group. We would ask for your prayers to support our Youth Alpha course starting on 28<sup>th</sup> February.

We thank God for his goodness to us and pray that we continue to follow His leading.

**Praise God** for the 3 people recently baptised. **Please pray** for their continued spiritual growth and increase in commitment.

**Praise God** for the power-house that the monthly intercessory prayer group (including folk from other churches) is becoming; and also the regular outreach meals, which are establishing relationships with people from the local community. **Pray** that these will be fruitful for God's Kingdom.

Also **please pray** for a lady from our church leading a pastor's conference in the Philippines in February/March.
